

LICENSE PLATE BADGES

An alternative to the everyday, "they-all-look-the-same" license plate frames, these License Plate Badges are made-to-order, cost effective, and environmentally friendly. Using less materials in manufacturing than standard license plate frames, the LP Badge makes a great fundraiser or light weight mailer for schools, clubs and civic groups. This is also an economical option for auto dealers, realtors and insurance agencies to promote their business.

Features:

- Optional top and bottom placement for maximum advertising on all automotive makes and models
- Can be customized to be compliant with state laws
- Raised graphics for eye-popping effect
