

# RIM KICKSTAND PAD

Keep your bike sturdy when parking in gravel or on warm summertime asphalt. These Rimmed Kickstand pads are like the original flat version, except there is a raised rim around the perimeter to help keep the kickstand where it belongs. Option for center graphics with or without imprint color.

## Features:

- Durable 1/4" thick plastic
- Easily disperses the weight of the bike
- 4" x 4" x 1/4" thick fits easily into your back pocket
