# FLAT KICKSTAND PAD

This is the kick-pad that started it all decades ago. Molded in 1/4" thick high impact plastic, these 4" squares or circles have graphics recessed into the face giving the bike stand an even "FLAT" surface to rest on.

## Features:

- Choose from 14 plastic colors. See page 42 for color chart
- Dimensional Graphics that keep your logo visible for years
- Add a hole, at no extra cost, then put a string or cord in for easy retrieval
