

FUNDRAISER ITEMS

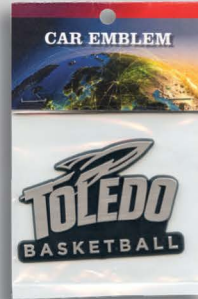

Show off any school, team, or organization with car emblems designed to look like the mascot, symbol or logo. These are typically molded in black plastic with raised chrome which looks good on any car color, then adhered to the vehicle with either strip or die cut adhesive. For sizes up to 2.3" tall, see page 4 - Vehicle Nameplates with strip tape or page 5 - emblems with die cut adhesive. For emblems in black plastic, over 2.3" tall to maximum of 6" x 16" see page 30. See pages 28 & 29 for other exterior plastic colors.

License Plate Badges make a great lightweight mailer piece. When this is in an envelope with your client's solicitation, the recipient will be curious to see what's inside and when they open it and the license plate badge falls out, they still won't know what it is, so they'll have to pull out the sheet and read the message. It's a way to get "eyeballs on the page". Also, these are just odd enough to get a 2nd look, which is what we all want in advertising. See page 7 for pricing.

Header cards and custom packaging available, see inside back cover for more information.

In addition to schools, these items also make great fundraisers and mailers for: Alumni Groups, Churches, Clubs, Fraternities, Sororities, Nonprofits and Sports Teams.

Other awareness items: Magnets & Key Tags on pages 16 & 17, Badges on pages 20-23 and Coasters on page 36.

CUSTOM PACKAGING

Custom Packaging available with header card stapled to poly bag, or you can provide the header.

Price below includes either our stock four color process header card. Or design your own, when you provide approved art file.

Packaging includes:

- A stock Header Card stapled to the top of the poly bag
- Poly bag is with or without heat sealing. Without heat sealing, parts will be boxed upright and open, so something can be added later to the bag if needed

Header Card Size:

- 2" x 2" for license plate badge, item # LBA-HP
- 3" x 2-1/4" or 4" x 2-1/4" for car emblems; item # VN-HP
